MISSION WORK AT ALL TIMES

No Let Up in Central Union's Labors on Account of Season.

Great Success of the Gospel Wagon and Woman's Night Shelter-Many Forsaking Their Sinful Lives.

Major George A. Hilton, who has just returned to the city from Chicago, where he made a tour of the "alums" of that ity, said to The Times yesterday: "Wo mission workers don't know anything about slams in this city."

Messrs, Curtis and Reed, prominent lawyers of Chicago, will reach this city this afternoon and will address the meeting in the auditorium of the Central Union Mission this evening at 8 o'clock. During their stay in the city these gentlemen will be the guests of the C. U. M.

mer presents better opportunities for reach-

The workers are rallying to the main hall and several branches are holding open air night meetings. The work of the Gospel Wagon Corps "is simply marvelous," he said. The meetings are attended by thousands, and it is no unusual thing to see a man of woman coming forward out of the crowd with tears and prayers asking for surjural help.

of the crowd with tears and prayers asking for spiritual help.

Fossibly one of the best features of the work is "the woman's night shelter," and is larnely patronized. An average of ten women coning for spiritual and temporal help, for a home and sympathy. This branch costs the mission about \$30 per week, and the funds for this special work are completely exhausted, and all persons who are interested in the reclamation of women from lives of vin and shape and drink are enruestly urged to contribute to this branch of the Central Umon Mission
